

**Key**

- 1. Greytone of raw 0.5m mobile probe spacing (shallow) data.
- 2. Greytone of 0.5m mobile probe spacing data enhanced with a directional shadow filter.
- 3. Near surface residual anomalies
- 4. Greytone of raw 1.0m mobile probe spacing (deeper penetrating) data.
- 5. Greytone of 1.0m mobile probe spacing data enhanced with a directional shadow filter.
- 6. Deeper origin residual anomalies
